

# What is YMCA Afterschool?

It's childcare provided at your child's school or at the Northeast YMCA from the time school releases until 6 p.m. The YMCA's staff provides value-centered childcare in a safe and structured environment. YMCA Afterschool uses programs as tools to teach our four core values: caring, honesty, respect, responsibility.

YMCA Afterschool operates in cooperation with the Escambia County School Board, the Department of Children and Families and the Children's Services Center. We consider it part of our mission to help children realize their full potential in an environment of stability and trust.
